Description

Two oils on canvas depicting a character in landscape signed "Caloiz" (?), end of the XIXth century.

Charming pair of oils on canvas depicting a character walking on a path in a wooded landscape. The painter exhibits a beautiful technique that combines classic dough in the treatment of nature and somewhat impressionistic in that of the character and light.

If the subject is classic, there is in these two oils on canvas a modern feel involved in the preciousness that clears the pair.

Original frames.
