Paris Porcelain Couple Under A Lantern

250 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Porcelain

Length : 13

Width : 9

Height : 25

Description

A couple of lovers in Paris porcelain, typical of the Napoleon III style. The romantic scene is set beneath a porcelain lantern, held by a bronze tree trunk. The lantern is decorated with bouquets of flowers interspersed with musical instruments. There is a chip on the base at the back. Careful worldwide shipping; free shipping within France.
