Description

Victorian locket ball pendant in 18 karat gold. A rare folding pendant that takes the form of a sphere, decorated on either side with bands that hold it closed. This is a photo locket pendant: the two bands unclip to reveal a series of four frames. Photographs can be placed inside. The pendant then folds accordion-style to return to its spherical shape. The bands wrap around the sides to secure the pendant. 19th-century locket pendant, circa 1880-1900. Owl hallmark (posterior) Dimensions (including bail): 3 cm x 2.2 cm - Height of the pendant when unfolded: 8.5 cm Condition: scratches from use Weight: 14.71 gr* The antique box and the chain are not sold with the jewel*
