Description

Antique repoussé copper mirror with a carved pediment, showcasing exceptional craftsmanship. The frame is entirely adorned with deep motifs, depicting floral, foliate, and decorative designs, with a superb openwork pediment in the shape of a flower basket. The patina offers a very elegant contrast between the raised and darker areas, giving the piece an authentic charm and remarkable presence. The main mirror is surrounded by side and top panels, themselves inlaid with small mirrors and carved details, lending the whole a rich and sophisticated appearance. This is a rare decorative piece, ideal for a classic, bohemian chic, stately home, or cabinet of curiosities interior. Dimensions: h118 x 69 x 15cm Condition: good overall condition

Unique, decorative piece
