Ancient Ginori Doccia Porcelain Coffee Pot - Late 18th Century

950 EUR

Period : 19th century

Condition : Bon état

Description

Beautiful and rare fine porcelain coffee pot from the Ginori, Doccia manufactory, made at the turn of the 18th and 19th centuries. Entirely hand-painted, it features a highly refined floral decoration incorporating two letters: D and S. These two letters most likely correspond to the monogram of the original commissioner of the piece. Condition: very good state of preservation, with no restorations, though the terminal part of the handle shows a small loss, highlighted in the last two photographs.
