### Description

This magnificent sideboard is crafted from walnut veneer, with brushed metal handles and supports. Please take a look at all our photos to appreciate the warmth of the walnut exterior and the artisanal craftsmanship that characterizes this piece, both inside and out. It was designed by Jordi Villanova in Spain in the 1970s (1925-1998). This Spaniard is considered a pioneer of industrial and interior design. He developed a distinctive vision of design, imbued with humanism and avant-garde spirit, and characterized by its functionality and simplicity. Inspired by Scandinavian design, his style prioritizes practicality and respects the quality of workmanship and materials. This is clearly reflected in the quality of this piece, as well as in its storage spaces, designed to accommodate
