Antique Fabric Printed With Second Empire Ribbons, Roses And Flowers

160 EUR

Period : 19th century

Condition : Bon état

Material : Linen

Width : 1m60

Height : 2m60

Description

A beautiful and generously sized printed piece from the period III, decorated on a deep red background with a blue ribbon and bouquets of flowers and roses. This ribbon gives superb relief to this piece of fabric, complete with both its brightly colored edges. In good condition, with a tiny hole at the bottom edge (see last photo).
