### Description

A charming pair of antique miniature Vietnamese bronze incense burners (lu huong), dating to the 19th century.

Each burner measures 5.5 cm wide and 4.5 cm high.

These antique Vietnamese incense burners would originally have been used on an ancestral altar or scholar's table, either for burning incense pellets or as symbolic ritual objects. The metal surfaces show authentic age-related wear consistent with long devotional use, giving them a rich patina that will appeal to collectors of Vietnamese antiques. Good condition, with age-appropriate wear; no restoration.
