Description

Gold and diamond earrings, Happy Diamonds model by Chopard. Each earring features an 18K (750/1000) gold heart-shaped setting and an interior space where a freely moving diamond captures and reflects light from every angle. These earrings exemplify Chopard's signature concept: moving diamonds, a feature found in many pieces in this collection, including rings and pendants. Each earring is signed on the reverse of the heart: Chopard 750, along with the serial number. Weight: 8.84g. Good condition.
