

Biedermeier Pier Mirror, Circa 1810

2 400 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 59.5

Height : 152

Depth : 10

Description

An elegant, rectangular, and slender wall mirror, dating from around 1810. Its frame is veneered in warm cherry wood and flanked by solid, ebony-finished columns with gilt-patinated capitals and bases. The original mirror surface shows typical signs of age, with some pitting and shadows.
