Description

Refined, compact, ten-light Maria Theresa chandelier with an iron and gilded wood frame. The chandelier is embellished with cut crystals in various shapes: flowers, almonds, drops, and leaves, which form pendants and elegantly enhance the overall effect. The bobèches are also crystal, while the stem is partly covered in crystal and partly in gilded wood. This chandelier exudes great taste and class, capable of furnishing any space with refinement. Tuscan manufacture from the mid-19th century.Dimensions: H x DM 90 x 70cm
