Description

Abstract painting "Homage to Pierre Soulages" by Lucien Vignolle. Lucien Vignolle -- "Homage to Soulages" (black & blue). A painter from Roubaix (born in 1934), Vignolle blends painting and graphic design with a penchant for paying homage to modernists. Here, he draws inspiration from Pierre Soulages and *Outrenoir* (Beyond Black): the structured black captures the light, while the blue adds depth and vibrancy. The surface plays with horizontal/vertical rhythms, striations, and reliefs that create a play of matte and glossy textures. The result is powerful, luminous, and highly decorative, faithful to the spirit of Soulages while remaining personal through its graphic construction. Discover all our other products on our website:
