

Black Forest Chamois Coat Rack, Switzerland, 19th Century

580 EUR

Period : 19th century

Condition : Parfait état

Material : Solid wood

Width : 24

Height : 29

Description

A coat rack featuring a chamois with sulphide eyes. Exquisitely sculpted with great finesse, this chamois head is mounted on a shield adorned with beautifully sculpted mountain plants. Below, a "horn" forms a hook for hanging a garment, although today this type of coat rack is primarily considered a decorative object. Shipping available within France and internationally; please contact me for details.
