Magnificent large Victorian-style mahogany wardrobe. With its imposing, solid appearance, grand cornice, and wide columned doors, this original wardrobe reveals an interior with a hanging space equipped with brass hooks, and a storage area with numerous drawers. Two secret trapdoors at the ends of the baseboard open to reveal a large, deep compartment, and in the center, a large drawer. It dates from the mid-19th century, around 1850. This piece is ideally placed in a large entrance hall and can also be used in a large bedroom, living room, etc. Its overall dimensions are: 190 x 85 x 222 cm (height).
