A beautiful seafood service (shellfish, crustaceans, oysters, etc.) comprising twelve plates and a serving platter in earthenware. Each plate has six compartments shaped like a scallop shell, in a nuanced white color, and in the center, a small, raised, round compartment bordered by a brown braided rim, perfect for mayonnaise, sauces, etc. This same braid detailing adorns the rim of each piece in the service. The entire set is on a green background with a braided pattern. The serving platter is decorated with ten shells distributed around the rim, and two more in its center. This service is a very fine piece from the Longchamp factory and is in perfect condition. Dimensions: serving platter: diameter 33.5 cm, height 4 cm; plates: diameter 24 cm, height 3 cm.
