Description

Anne Dangar 2 "Christmas log" dishes approximately 36x14 cm. Note some enamel losses, as is often the case with glazed earthenware which is fragile. The enamel remains fresh. I also have a broken/repaired dish with the same motifs, monogrammed MSDA, a rustic example of the work of this great ceramist alongside Albert Gleizes at Moly Sabata. A thesis dedicated to Dangar bears the title "Rustic Cubism," for good reason !
