

Impressive White Ceramic Rooster

1 500 EUR

Period : 20th century

Condition : Très bon état

Length : 49cm

Width : 18cm

Height : 56 cm

Depth : 25x20 à la base

Description

Very important white ceramic rooster in perfect condition, with only one minor flaw (see photo): an old crack on the base which does not detract from the overall appearance. The feathers are exceptionally well rendered. The head and red comb are striking, and the eye appears lifelike. No other damage is present. A very beautiful object in terms of its size and quality.
