Description

Børge Mogensen bench in golden light oak with a cognac leather seat, model 3171, manufactured by Fredericia Stolefabrik around 1960. In very good condition, from the first owner. The bench is in excellent condition; the seat has been reupholstered with its original leather to replace the padding. The leather has been cleaned and re-dyed, and the woodwork has been restored. There are some minor signs of normal wear to the leather, but the bench is stable and comfortable. L 168 cm x W 47 cm x H 76 cm. Seat height 45 cm.
