

Italy, 20th Century: Decorative Slipware Composition Depicting A Plate Of Fruit

220 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Diameter : 46

Height : 16

Description

20th-century Italian majolica decorative composition depicting a plate of fruit. Arranged on a wide cream-colored earthenware platter, the elements--pineapples, bananas, grapes, apples, and citrus fruits--are finely modeled and covered with a glossy, brightly colored glaze. The textured details (pineapple peel, grapes, veined leaves) demonstrate meticulous and realistic craftsmanship. This decorative piece instantly brings a sunny and warm touch to a kitchen, dining room, or any Mediterranean, vintage, or classic-style interior. Dimensions: 16 x 46 cm. Condition: Excellent; no chips or cracks. An elegant and colorful decorative object, ideal as a centerpiece or permanent display.
