Table Made Of Carved Olive Wood, Crafted From A Root

500 EUR

Period : 20th century

Condition : Bon état

Material : Other

Width : 95

Height : 76

Depth : 83

Description

A carved solid wood table, crafted from a single piece of wood. Its organically shaped, natural top and root-like sculpted base make it a true work of art. Features: Handcrafted solid wood (olive) table; Irregularly shaped top with a smooth, glossy finish; Sculpted base in the shape of roots/openwork trunk; Unique piece with a raw and warm character; Can be used as a side table, high table, console, or decorative element; Dimensions: H76 x W95 x D83 cm; Condition: Excellent condition, solid wood, superb patina. Perfect for rustic, ethnic, handcrafted, or natural design decor.
