Description

An elegant pair of small cut crystal hot air balloon chandeliers, of Italian origin (Veneto region), dating from the 1920s-1940s. A highly decorative model, inspired by the Empire style, with a beautiful luminous presence despite their compact size. Total height with chain: 90 cm (Adjustable chain: the height can be easily reduced to suit your interior.) Diameter: 34 cm. Faceted crystal or glass pendants, complete and sparkling. The upper crown is adorned with decorative motifs. Original chain and frame, soft and even patina. Very little oxidation, very clean overall appearance. Functional wiring, no upgrades required. Very good overall condition. The two chandeliers form a harmonious set, ideal for a hallway, stairwell, entryway, or bedroom.

Delivery only in France via Cocolis.
