### Description

Table lamp made from an antique gilded wooden candlestick - Tuscany, mid-19th century  
Elegant table lamp created from a refined Tuscan candlestick dating to the mid-19th century, finely carved in wood and decorated with gold leaf. The shaft features floral motifs and turnings typical of Tuscan craftsmanship of the period, with an authentic patina that enhances the historical character of the piece. The sculpted scrolling base ensures stability while adding strong decorative presence, making this lamp a unique item perfect for classical interiors, grand entryways, or historically inspired settings. It comes with a detailed fabric lampshade that complements the style of the structure.
