Description

Visible in Paris. Free worldwide delivery via DHL. Pair of portraits Saint Anne marble and gilded bronze Dimensions: H. 15; W. 12 (cm.) Late 19th century Pair of portraits based on a well-known iconography. The Sun King is depicted based on numerous works in profile on coins and medals, wearing the Golden Fleece and rich armor. Empress Marie Thérèse is depicted based on a drawing by Duvivier (as is often the case for these stylized profiles), currently preserved at Carnavalet. Condition report: normal wear and tear Translated with DeepL.com (free version)
