Depth : 27 centimètres pour la partie contenant

Description

A large, rather decorative ewer... In glazed terracotta... With all the decoration hand-painted... Somewhat naive, each cartouche features a dancing cherub, almost a faun. From the 1900s... From the DÈVRES factory... Signed underneath... In good condition, just a small chip at the base (see photo) and a few minor manufacturing flaws... The piece is quite tall... Weight... 1.653 kg...
