Empire Style Chandelier, Green And Gold Sheet Metal

640 EUR

Period : 19th century

Condition : Etat d'usage

Material : Metal

Description

Empire style chandelier, in lacquered sheet metal and gilt metal. Composed of a green lacquered sheet metal sphere, decorated with applied gilt metal stars, three swans each supporting three cut glass bulb covers in their beaks. Some small gilt decorations are missing, including a star on the rim and some decorations on the crown at its summit. However, it remains in very good condition.
