Description

Superb Singing Bird by Karl Griesbaum. A unique masterpiece from the 1950s or 1960s, created by the renowned Karl Griesbaum in Germany. When activated, a bird elegantly appears, turning from left to right, singing an enchanting melody while gracefully moving its beak, tail, and wings. The gold-plated box is richly decorated, a testament to exceptional craftsmanship. The refined details, especially on the top, reflect luxury and sophistication. This piece is a perfect combination of mechanical art and elegant decoration. Don't miss this opportunity to acquire a piece of history and exceptional craftsmanship!
