Description

Top Hat-Shaped Horn Champagne Bucket This spectacular champagne bucket, shaped like a top hat, transforms every bottle into a true work of art. Crafted from delicately veined, cream-colored horn panels, it offers a warm and luminous interplay of textures. The interior is lined with Bakelite, an iconic mid-20th-century material, ensuring excellent insulation and durability. Its generous proportions (approximately 35 x 28 cm, 21 cm high) make it ideal for a bottle of champagne or white wine with ice, without sacrificing elegance. Placed on a side table, bar, or as a centerpiece, it instantly becomes the focal point of any celebration - perfect for a chic dinner party, a reception, or adding a touch of private club charm to your home. The horn panels are arranged like paving stones, creating a refined

mosaic effect. The natural hues, ranging from ivory to honey beige, complement both classic and contemporary décor. A few subtle signs of age may be present, discreet and perfectly consistent with the piece's age, adding to its authenticity. A remarkable gift idea for lovers of unique objects, bar décor, or tableware enthusiasts who want something "more" than the usual stainless steel bucket: here, every champagne service becomes a small spectacle. Price: EUR180. Delivery available in France and worldwide. Don't miss the opportunity to acquire this unique piece and transform each of your meals into a truly enchanting experience.
