

Patinated Grandfather Clock, 18th Century

1 200 EUR

Period : 18th century

Condition : A restaurer

Material : Painted wood

Height : 270 cm

Description

Large Louis XVI period patinated wooden clock surmounted by a carved giltwood eagle. The movement's facade is original, however, the mechanism is recent. Beautiful patina; this clock is more decorative than functional, it would simply require finding a movement from the same period.
