### Description

Superb 19th-century campaign or military chest of drawers beautiful good quality campaign chest that comes in two parts, That was made at the time to facilitate transport during military campaigns or on ships. The chest of drawers is made entirely of solid mahogany and has the typical square shape of military chests of drawers. English naval chest of drawers with its typical entrances and carrying handles on the side, which gives it a lot of charm. In addition, its square shape gives it a very modern style. This allows it to be placed in a classic or contemporary interior. Mahogany with a superb flame. In superb condition and magnificent patina. Delivery in Belgium, France and internationally.
