Description

COD 01116 Dutch display cabinet from the second half of the 19th century. Carved and inlaid with floral decorations, made of oak, maple, and fruitwood, this beautiful furniture features a pleasing design and attractive furnishings. The double-body display cabinet has three drawers with keys and working locks, offering a good capacity, in the lower part. The upper body has a single large door complete with two working locks and their keys. An ideal cabinet for displaying collections of objects, this beautifully proportioned furniture is ideal for a living room, parlor, or study. The upper body's back panels were replaced during a 20th-century restoration (see photo). The display cabinet has a beautiful patina, is structurally sound and solid, and is in overall good condition. As each of our products it
