Description

Here is a highly accomplished work by Guillot Rafaillac. Two women are reclining, posing, presumably for the artist. The shadows, the rendering, everything is of high quality. The work is unsigned but comes from Guillot Rafaillac's studio; it is both high-quality and striking. It is being sold intentionally uncleaned and unframed. We note some distortions, rubbing, and wear, as well as small areas of missing paint visible in the photos. However, it remains in more than acceptable condition and will be even more striking once reframed. Please examine the photos carefully for a complete description of its condition. Feel free to zoom in. The photos are an integral part of the description. Dimensions:
