

## Amber Alabaster Cup, 19th Century

3 900 EUR

Period : 19th century

Condition : Parfait état

Material : Alabaster

Width : 47 cm

Diameter : 40.5 cm

Height : 34.5 cm

### Description

With its mottled pattern, this wide amber-pink alabaster bowl is encircled by a gilt copper gallery punctuated by two faun-headed mascarons. The reference to Renaissance vocabulary could not be clearer, and, if further proof were needed, the base, combining alabaster and a bundle of gilt bronze, rests on a pedestal of the same metal, adorned with water leaves.

In perfect condition, this rather heavy bowl will require a suitable delivery service.

Worldwide delivery available.
