Description

Italian blown glass and metal lantern, 1960s.
Magnificent Italian lantern from the 1960s, made of blown glass and mounted in a blackened metal frame adorned with decorative scrolls. The glass, worked into organic bubble shapes, perfectly reflects the Italian aesthetic of this period--a blend of lightness, poetry, and artisanal craftsmanship. The gold-tone metal chain adds an elegant and warm touch, typical of mid-century Italian design. Dimensions: Total height: 40 cm Diameter: 29 cm Working wiring. Very good overall condition, some minor signs of age.
Carefully packaged and securely shipped. Please feel free to contact me for any further information or additional photos.
