Description

A very beautiful and large dining table by Johannes Andersen. This table has a 73 cm extension leaf, which folds away under the tabletop, extending its total length to 243 cm. The branded mark under the tabletop dates this piece to the late 1950s or early 1960s, making it one of the first examples of this iconic model. It is in very good condition, with a few minor signs of wear, which are inevitable on a table over 60 years old.
