

## Oil On Panel, 19th Century

220 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Oil painting on wood

### Description

Small 19th-century oil on panel in need of restoration, depicting a seascape with a group of fishermen in the foreground, in the style of Lacroix de Marseille. The painting requires cleaning and repainting (flaking and lifting). The 19th-century frame, made of stuccoed and gilded wood with simulated canal decoration, is in good condition. Visible dimensions: 20 x 15 cm. Overall dimensions: 30.5 x 25.5 cm.
