Description

Charming oil painting on a wooden panel, set in a carved and painted wooden frame. The painting depicts a landscape view of sea and mountains, from which a marina can be glimpsed with a nearby town, likely the marina of Pizzo Calabro, a reminder of the painter's Calabrian origins. Several sailboats can be seen in the sea, including two in the foreground with people fishing. This is a tasteful painting, appreciated for its stylistic rendering and choice of colors, capable of lending a touch of elegance and class to any setting. At the bottom right is the signature of the Italian painter, Saverio Scutellà (1910-1993), with the date on the back, suitable for framing around the first half of the 20th century (ca.

1947). Dimensions: H x W x D overall 39 x 64 x

3.5 cm; H x W work only 25 x 50 cm
