380 EUR

Period : Before 16th century

Condition : Restauré

Material : Earthenware

Height : 12 et 14 cm

Description

FAENZA - Italy, 15th Century, Circa 1450/ 1480 Ref.: FC - W 015 + W 016. Two small tin-glazed earthenware liquor jugs with turquoise blue slip. Cartridges painted with dark cobalt outlined in a yellow chrome border. Pear decoration on the larger jug. Stylized fruit decoration (?) on the smaller jug. Both pieces have been restored. Probably reattached and then partially repainted? Their age justifies their restoration! Heights: 12 cm and 14 cm. We can sell these two pieces together or separatelyW.015 - Larger: EUR180. W.016 - Smaller: EUR150. Formerly in the GIALDI collection, Pavia, Italy. Shipping via secure Colissimo France: EUR15 Europe or Worldwide: please contact us.
