10 Chandelier Pendants With The Freemason Cross Pattée Of The Knights Templar

150 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Width : 8,5 cm

Height : 13 cm

Description

These molded glass pendants, with their undulating shape and chamfered edges, feature a recessed design of the Freemasons' cross pattée, the symbol of the Knights Templar. This central cross is accompanied by stars and a granulated background. Note that one pendant is not granulated; instead, it is beautifully engraved with "Mr. A. Lambert," indicating that these pendants are part of a custom chandelier.Shipping in France and internationally, contact me for terms
