Description

As an office filing cabinet, this is a must-have model in walnut with its slatted, rounded curtain. Above it, a small shelf provides space for a pencil holder, a decorative item, or other small objects. Inside, there are four compartments of varying sizes, as well as a small drawer. The top shelf is attached with nails that create a slight "push" in a few places; this isn't immediately noticeable, but I wanted to point it out (see photos).
