Description

Pair of large wrought iron and gilt wall sconces, circa 1930, in the Renaissance style. A very interesting and highly decorative pair, reimagining a medieval style. Beautifully crafted wrought iron, curled and hammered to create an angular and elegant form. A generous size, 65 cm high. Due to their size and highly original design, this pair will provide a striking symmetrical decorative effect. Shipping available within France and worldwide via secure, insured package with order tracking. Collection is also possible at Domaine du Mas d'Avalrich, Montéscot 66200 (Tel: +33 6 11 14 25 33) or at my stand at the Montpellier Cipolat flea market, held every two months, on the market terrace.
