Description

ST DUPONT diamond travel case from the 1930s, crafted from snakeskin leather using ST DUPONT's (Simon TISSOT DUPONT) exclusive patented process, dating from the Art Deco period. The handle is fully retractable for added elegance. The interior features multiple leather compartments, a box that opens with a concealed push button, a mirror, various other compartments, etc. Stamped with "ST DUPONT" 8 Bis Rue Dieu in Paris and the patented SGD G mark on the leather edge and the central hinge handle, allowing the leather flap to be opened by pressing the two latches. Key and accessories are missing. Two "Palace Louxor" stamps are present on the exterior side of the case. Length 35 cm - Width 24 cm - Height closed 10.5 cm - Height open 5 cm. Good condition, showing its original
