

18th Century Monoxyulous Statue Of Mary Magdalene Carved From Mulberry Wood

3 200 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

Width : 38 cm

Height : 78 cm

Description

Important sculpture representing Mary Magdalene, carved from a single mulberry trunk, with only the hands added later. Originally polychrome, this statue was likely stripped in the 19th century, revealing the characteristic grain of the mulberry wood. Dating from the early 18th century, the drapery, hair, and face are beautifully sculpted. A rare mulberry statue of this saint with an ecstatic expression. Dimensions: 78 cm high.
