

18th-century Fan, "the Dog Trainer", Louis XVI Period

750 EUR

Period : 18th century

Condition : Bon état

Material : Other

Length : 27 cm

Description

18th-century fan. The paper leaf is painted in gouache depicting a scene where a woman is training a dog to perform for a couple; another couple is by a river. Superb mount in engraved and painted ivory, adorned with three cartouches on a background of mother-of-pearl (a slight loss of mother-of-pearl on two ribs). The fan measures 10,63 inches when closed. France, circa 1775.
