Description

Very large wrought iron wall light depicting a ship from the 1950s. Very large, 155 cm high, and a majestic sculpture representing a caravel with all sails set. Six bulbs on the back provide a beautiful, luminous presence to this magnificent wall light. Three bulbs are lit in the photos. The lighting system and mounting hardware are in excellent condition. Note the beautiful wrought ironwork and the guilloché engraving of the sails.

An undeniable statement piece for a very attractive decoration. Shipping available in France and worldwide via secure, insured package with order tracking. Collection is possible in person at Domaine Avallrich, Montescot 66200 (Tel: +33 6 11 14 25 33) or at my stand at the Montpellier Cipolat flea market every two months, on the market terrace.
