

## Bouquet Of Flowers In The 17th Century, Watercolor On Parchment

385 EUR

Period : 17th century

Condition : Etat d'usage

Material : Parchment

Width : 18,1

Height : 24,3

### Description

Three sprigs of flowers in a glass carafe on a small table. An insect is feeding on one of the blue blossoms. The watercolor is painted on parchment stretched over a wooden panel. It is framed in an antique, blackened, molded wooden frame; without it, the parchment measures 21 x 15 cm. Damp stains are visible in the photographs.
