

Large Polychrome Statue From The 18th Century, Probably Of Saint Onuphrius

1 850 EUR

Period : 18th century

Condition : Très bon état

Material : Painted wood

Height : 83 cm

Description

A rare statue depicts an anchorite, possibly Saint Onuphrius or Onofrio, a hermit in the desert. A 4th-century anchorite who lived in complete and radical destitution, our polychrome statue shows him wandering in the desert with a staff, his gaze vacant. It has retained its original polychromy. A rare and large representation of this hermit saint. Dimensions: 83 cm high. We deliver and ship worldwide; please contact us for a precise quote.
