### Description

Pair of floor lamps from the prestigious German crystal manufacturer Palwa (Palme & Walter), circa 1960-1970. Gilt brass and crystal, red marble bases. Each lamp is 1.43 m tall and 20 cm in diameter. Very good condition. Palwa, founded in 1928 in Berlin, specializes in handcrafted pieces combining gilt brass and high-quality crystal, often inspired by Art Deco or Hollywood Regency aesthetics, with an emphasis on natural motifs such as flowers. These lamps are typically produced in limited series, with the crystal elements handcrafted. They embody post-war German craftsmanship, where crystal is cut to maximize light refraction. Delivery possible in person in France and neighboring countries (EU)
