Description

Polychrome wooden religious sculpture, 17th century
The polychrome wooden sculpture probably depicts Saint Peter of Verona or Saint Peter the Apostle, dating back to the 17th century. It is a sculpture carved in wood with traces of polychrome and gilding. The figure is wearing religious clothing, with a tunic and cloak, and the posture suggests an attitude of devotion or prayer. The work has the stylistic characteristics of Baroque art. Dimensions: H 54 x W 33 cm.
