

5-carat Sapphire And Diamond Cluster Ring

7 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

18k white gold (750?) daisy-style ring set at its center with an unheated Ceylon emerald-cut sapphire weighing 5.13 carats. The stone is eye-clean and displays a beautiful pastel blue color. It is surrounded by a pavé of high-quality brilliant-cut diamonds in a slight taper, totaling approximately 1.10 carat. French work from the 1960s. Bears the eagle's head hallmark for 18k gold. The center stone is accompanied by a certificate from the Bellerophon Laboratory (No.: A24603). Ring size 50FR - 5.25US, resizing possible. Setting dimensions: 14 × 17 mm. Gross weight: 6.26 grams.
