Description

We are pleased to present this early 20th-century oil painting on board. This stunning coastal landscape of the island of Ischia is signed at the bottom left: Ricciardi. It is likely the work of the Italian painter Oscar Ricciardi (Naples, February 24, 1864 - Naples, 1935), without authentic. This small painting captures the charm of the Italian coast. The dense vegetation of a pine forest on the right overlooks the sea and a fantastic distant horizon where sky and sea meet. The painterly quality is evident in a highly personal style, characterized by bold, textured brushstrokes that seem to bring the landscape and trees to life. If you are familiar with the Italian islands, you will be captivated by this painting, so much so that you will feel transported to the scents and sounds of this landscape. A marvelous painting that will
